FROM THE PASTOR'S DESK

Greetings brothers and sisters in Christ. Exciting to be coming back up in God's country where the lakes and the trees all blend together into creation. Thank you for welcoming me into your community; may God bless our time together. As some of you know, I was at Cushing from 2009-2013 when I realized God was calling me into interim ministry. It has been a blessing where my gifts and the world's need has come together (that is the definition of 'vocation'). Since then, I have been around the Synod serving where needed. My clan involves 3 adult children, 2 single men and a lovely daughter (son-in-law) that has provided me with 2 grandsons to spoil. We gather in Hastings, MN where I live with my husband Harvey and our sidekick, Dusty (mixed Great Pyrenes' dog) My husband and I have been together 43 years on October 24th... long time so we have a lot to be grateful for. My plan is to be at the Parsonage from Sat eve to Wednesday with office hours usually on Monday's to get organized. Visitation, Confirmation keep me busy Then I am off to babysit the grandsons for a day, write a sermon, volunteer at a food shelf and return on Sat. But this is adapted according to need. I really look forward to having Thanksgiving with all of you!!!!

You have a wonderful schedule going into fall and I hope to fill in the best I can. Thank you in this partnership of carrying God's word into the world at Bone Lake Lutheran. See you October 15th. Blessings, Pastor Dorothy Sandahl 651-442-6770

Brothers and Sisters in Christ, As we bid a fond farewell and God's blessings to Pastor Ann, Bone Lake Lutheran looks to the future as to what God's new plan is for our congregation. We will welcome our Interim Pastor mid-October, Pastor Dorothy (Dee) Sandahl. She and husband live in Hastings, MN. As this is written, we have not gotten all the details on how this will all fall into place. The Council will be meeting with her the first part of October. Please keep Bone Lake Lutheran in your prayers, as we move into the call process in the next months. Please keep in mind—"Patience is a Virtue". Martha Solfest, Council President

NOISY OFFERING ~ CHANGE 2 CHANGE THE WORLD FOR OCTOBER

The Noisy Offering in October will be going to the Loaves & Fishes Food Shelf. It is located in Luck on the back side of the Luck Lions building (old DBS). We are a non-profit organization.

We serve the Unity & Luck school districts, we are open Tuesdays & Thursdays from 11am-1pm. We provide about 60-65 families a month with food.

We receive food donations and financial support from area churches and organizations. We also get food items from the Gov. once a month. This last year United Way has moved into Polk County to help provide us with fresh food items, milk, eggs, fruit, potatoes, onions, this a limited amount but is well received by the families.

With the financial support we are able to buy food items that we normally don't receive from other sources.

Most of us don't think about where our next meal is coming from, but that is not the case in some homes in the area. It is a blessing to have this food shelf close to help families in need.

So, let's make lots of noise on October 21 in the Noisy Offering cans and help provide area families with nutritional meals. It is very much appreciated. God Bless.

The Noisy Offering for September was BOLD GENEROSITY, and because of your generous giving, we were able to send \$635 to the Synod for this initiative!

Sisters and Brothers in Christ,

Thank you for the wonderful send-offs you have given me these past few weeks. I appreciate every kind word you have spoken to me, every tear that has filled your eyes (and mine), the thoughtful gifts and cards, and the laughter we shared as we recalled the humorous things that have happened along the way (how about that dunk tank the other week??!!). I have been blessed by you and your faithfulness. May the peace of Christ be with you always! ~ Pastor Ann
