FROM THE PASTOR'S DESK

Listen, listen God is calling, through the Word inviting, offering forgiveness, comfort and joy.

Love this hymn...Jesus calls us to listen, share the good news. That is what I as an Interim Pastor am here to do. Listen to where Bone Lake Lutheran is called to fulfill God's plan in the world. God speaks to each of us, guides our path to lead together into service.

What does that look like? No one person can see this whole picture so we must talk to one another, share the excitement and your gifts and see where it all fits together. One of the first days I was here, two different groups came together about the same topics leading in the same direction, our youth and Christmas planning. So by talking about what pops up, we already have things coming together for our Children's Christmas Program. God works in mysterious ways...or is it synchronicity. Meaning: events are "meaningful coincidences" if they occur with no causal relationship yet seem to be meaningfully related.

In another situation, our youth don't want to have confirmation on Halloween, All Hallow's Eve; do you blame them? But someone said, they should become aware of All Saints which is the same. I participated in a Service of All Saints many years ago...so let's try that here. A Communion of Saints at the Cemetery to bring together the saints on earth and the Saints that have gone on before us. A celebration, feast, lighting, flowers, Scripture, prayers and communion, synchronicity of ideas brought all this together.

I choose to think God has some bigger picture than we do. Does that make us puppets that are led around? I don't think so because we always have that free will affecting what we do. So how do we know if it is God directing us when ideas, things come together? We listen in quiet, in meditation, in awareness to God being around. We listen, and somehow, we become aware that 'this is the path that I need to take'.

How can we be sure that is the path to take? Follow the peace, as God gives us a deep and calm peace that passes all understanding. We don't have to understand, just follow. That is what we call faith; taking that leap, trusting God will be there to catch us. It is scary and no one wants to look like they have 'egg on their face' but how will we know if we don't try.

God is listening to all the people at Bone Lake Lutheran, and is calling on everyone here to listen also. Together we can and will find a plan that God has to share God's love in the world.

[John 16:33](#)

I have told you all this so that you will have **peace** of heart and mind. Here on earth you will have many trials and sorrows; but cheer up, for I have overcome the world."

Blessings, Pastor Dorothy Sandahl

Hello, friends~

Like years past, we are pulling together a **raffle and silent auction** in conjunction with WELCA's Deer Hunters' Widows' Craft Sale that will be held at church on Saturday, November 17th. We will be distributing raffle tickets tomorrow night at confirmation. We usually give students an envelope with 5 books of tickets (value: \$25 unless sold separately). Please try to sell the tickets to family and friends. If you are unable to sell the tickets, bring them back to us to put into the general sales. Tickets and money need to be turned in by Saturday, the 17th at 2:00pm. We will also be looking for youth to sell raffle tickets before and after worship on Sundays.

Also, we did apply and receive a Thrivent grant to purchase some silent auction items, but donations would be welcomed. Be creative - they don't have to be anything very expensive.

These fundraising efforts will benefit all youth participating in youth activities including Quake but not exclusively Quake.

Thank you.

Brothers and Sisters in Christ,
We went from having the air-conditioning on to turning on the furnace!!! While I am writing this message, snow is flying! Way to early!☺☺
Pastor D has arrived and is settling in at the parsonage & church office. As we welcome her to Bone Lake Lutheran and prepare for the call process, I ask that we all be patient as we move forward with God's plan. The Holidays are fast approaching, so the call process might not get into full swing until after the first of the year. As we proceed, you will be given current updates.
Please keep Bone Lake Lutheran in your prayers, as we move into God's plan for us all.
Martha Solfest,
Council President

**NOISY OFFERING ~ CHANGE 2 CHANGE THE WORLD
FOR NOVEMBER**

We have all heard the saying, "Pay it Forward" (definition: respond to a person's kindness to oneself by being kind to someone else). In November the Noisy Offering is going to be "paying it forward."
The Council will contact local agencies to see if they know of families that likely wouldn't have a holiday meal. We will then work with the agencies to make sure that the meals get to the family's tables.
Since the third Sunday is opening of deer hunting (a national holiday), we will have a basket out the Sunday before to put your donation in if you are a hunter.
Let's help many families have an enjoyable holiday and meal. Make lots of noise for this outreach ministry of "paying it forward". THANKS!
Bone Lake Church Council

THANK YOU!

Thank you to all who are serving and have served.

We will be honoring our Veterans Nov 11 during worship.

BONE LAKE LUTHERAN CHURCH MINISTRIES

Communion of Saints Service

In recognition of All Saints Sunday, we are having Vespers on Saturday evening, Nov. 3rd at 6:30: **Communion of Saints**. We gather with the Saints that have gone before us, Honoring these saints that have contributed to our community, our church and our lives. Without them, we would not be aware or know the Lord....they shared the stories and their faith.

The celebration service will be in Bone Lake Cemetery beginning with a feast (pizza), bringing light into darkness, service of procession and the Word and end with communion.

This special service will begin our celebration to continue on Sunday Nov 4th during All Saints Service where we will light candles for the saints in our lives.

Come for one or both...take time to honor all the saints that have gone before, a Communion of Saints.

ALL SAINTS SUNDAY

All Saints Sunday is November 4th. Once again we would like to display pictures in the sanctuary that day of people who are important to us who have died. People can start bringing in their pictures and put them in the office. Please bring them to the church by Nov 2.

A big THANK YOU to Tammy Brenizer in APPRECIATION for all the work & time she put into the video & screen each week for our worship services. It adds so much to our worship experience.

We all have different talents and Tammy's talent with technology has blessed us all. She is stepping down from this ministry to focus on some personal projects, that will be time consuming for her. At times she may assist with the video & screen.

Thank You and May God Bless you. ~ Bone Lake Church Council
