FROM THE PASTOR'S DESK

Spring, ready for summer, ready for something new. We are made new each day... ready to enjoy that fresh new person that God put together? God is faithful and walks with us each day. A member shared this verse, so I pass it on:

1 Corinthians 10:13 If you think you are standing strong, be careful not to fall. 13The temptations in your life are no different from what others experience. And God is faithful. He will not allow the temptation to be more than you can stand. When you are tempted, he will show you a way out so that you can endure.

So easy for us to get into the temptation of putting someone down, hearing what others say and making it negative, or just judging... that won't work, it must be done this way... As humans we can get into some despairing, destructive, anxious moments when we stray from God. The Bible says, God is faithful... will show you a way to get through those tough moments and lead you into something new.

Sometimes those growing times, going through the processes is difficult, but in the end, that new refreshed person is stronger, more flexible and can face life anew.

Paul's Final Advice 1 Thessalonians 5

12Dear brothers and sisters, honor those who are your leaders in the Lord's work. They work hard among you and give you spiritual guidance.13Show them great respect and wholehearted love because of their work; and live peacefully with each other.

At Bone Lake you have so many gracious, humble and thriving leaders. Honor them, praise them, (that would be verbally or written), and support their efforts by saying 'yes' by praying for them, and by sharing with others. God has given us this gift of love and grace and action. Let us continue to work together and making Bone Lake 'HOME' for all people, sharing and caring like you already do. Amen

Blessings, Pastor D. Sandahl

JUNE NOISY OFFERING

Please consider donating to the Bone Lake Lutheran Church Endowment during the June Noisy Offering and help those in need in our area!

Since 1986 The Bone Lake Endowment has been serving the mission of Bone Lake Lutheran Church. It does so by making Christ known through benevolent support of the needs of our members and residents of the surrounding neighborhood. Donations to the endowment of all types are accepted and members of our church family are asked to consider the Endowment when planning their estate. Some types of support given by the endowment are: helping those who have been injured, had a house fire, had to be off of work, and educational scholarships. The fund is not meant to pay the day to day bills of the church but to extend and carry out its mission within the world.

Get your camping gear and tools ready!!

June 20-23 all ages are welcome to join us for a Bone Lake Service Camp weekend. We'll gather and camp out at church Thursday evening through the weekend. Friday and Saturday we'll work in teams throughout the neighborhood and at church giving of our time and talents to those in need. In the evenings we'll share a meal, campfire and fellowship. If you have questions, want more information or know of someone that might be able to use our help, contact Shahla Brown or Brenda Buck

THE POLK COUNTY FAIR IS BEING HELD JULY 25TH - JULY 28TH, WHICH IS COMING UP QUICKLY!

The Bone Lake Lutheran Fair Committee has already met and we are getting organized plus we are preparing for another successful year! Due to unforeseen circumstances, the committee only has four members and we are requesting help from all of you. Running the fair booth is a BIG job and requires a lot of help to be successful and not just during the fair. **We are asking for volunteers to sign up and help run errands to get the booth ready to open before the fair, ie: picking up food and delivering to the food booth before the fair, fixing the booth, getting ice, clean-up, etc. Since there are only four members on the committee, we can not complete all of the tasks that is necessary to get the food booth ready. So we are asking for your commitment to help us complete these tasks in time to open the booth. We are so grateful for all of the help we receive yearly. The funds we raise from the food booth go to our church's general fund, kitchen appliances for our church and parsonage, money to fix the church and parsonage, supplies for our kitchen, youth activities, help outside of our four walls and many more areas to numerous to mention. Which is why we need your help to continue our work.**

Contact or talk to Jessica Summerfield, Mary Brown, Lois Olson, or Gloria Rolstad to help and make this another successful year. Make sure you sign up early to fill in positions to keep our booth running and running smoothly.

Brothers and Sisters in Christ,

We all live in this "busy world" we call life!

Be respectful of our church building, I took a walk through the church one day and was saddened to see how some places were left after being used. Classrooms/Chapel area were in disarray with toys laying all over the floors, papers that should have been thrown in the waste basket left laying on tables/floors, empty plates, glasses/cups some empty & some had beverage in then yet. IF you bring things into the areas/rooms PLEASE return items to the kitchen to be washed or if disposable throw in waste baskets. I do not want to sound like a "grumpy old lady" but if each person took responsibility for their items and area of building used, then the next persons using the area would not have to clean up before they can use it. The office/conference room is another area that needs to be respected. When you use the computer or the copy machine, please shut them off properly. Take your personal items with you when you leave that area. We are trying to keep the conference room organized, as there are times that meetings occur with people outside of our congregation, and we would like to present a nice area, and Laurene should not have to clean up her area of work before she can carry on with her job.

We all want to be respected as a person, so let's ALL carry that a little further and respect our church building, as we personally would want to be respected. AMEN!!!!

SOLE BURNER CANCER WALK/RUN 2019

Bone Lake Church had another successful year at the annual Frederic-Luck ACS Walk/Run. It took place for the third time at the Frederic High School on Saturday, May 11th, and was a wonderful joint effort of both communities in this fight against cancer. This year our VERY small team of only TWO people, Susan & Lynn Gregorash, raised \$615.00 and ranked #12 out of 26 teams. Just think what we could do if there were more members walking for this cause! The Frederic-Luck grand total amount of money raised was over \$54,000.00 Thank you to all who donated and participated for the Walk. Together we can fight cancer.
