**“The Fisher” July 2019**

A newsletter for the members and friends of

**Bone Lake Lutheran Church (ELCA)**

1101 255th Ave Luck WI 54853

**Address Service Requested**

FROM THE PASTOR'S DESK

What a way to start the summer, with the adventure of a 'Service Camp'. Thank you, all of you; from kitchen people to youth (kiddos), adults, over 40 people involved. Camping out, working at many houses to be of service, cleaning up the Highway and creating a Gaga Pit and Picnic tables and playgrounds. This is truly a place to bring the family for fun! Thank you for your service to our community.

In addition, all this commotion about the next event, the County Fair Kitchen; 1200 meatballs already made. Meat loaf next; and then... we are each assigned a list of things to bring. So much fun, fellowship and comradery.

Meanwhile, we have lots of kiddos going to camp and experiencing the love of God with fellow campers and leaders. Enjoy, invite, share in the experience.

And not slowing down the Interim process our Mission Site Profile is complete, and the Call Committee installed. Ready to listen, be open and invite interested Pastors to see what Bone Lake is all about and find the right fit at this time.

As the Interim team leaves, we welcome the new Mutual Support Team that will be in place and prepared to make Mutual Ministry work with a new Pastor. We have four awesome women involved, Melanie Moore, Judy Randall, Velma Broome, Becky Frandsen. They will be working with the book, **Pastor and People** to help build the relationship with the congregation and Pastor. But all people need to work on that relationship to continue God's work in this community.

During this Interim process, we realized there are six (6) teams outlined in the By Laws that would provide support and provide direction for all the groups and services we have in the church. Worship Team, Stewardship, Social Ministry, Youth & Family Ministry, Christian Education, Property. With so many groups active in this church, it is

a way to gather like things together and have one person report to the Council so we all know what is happening.

One Team that has not been previously active is the Christian Education. This Team provides material to all the groups in the church so we are all looking at Scripture as our foundation of work and action. It is for God's glory that we gather together, worship, create a community AND take action. That is what makes us different from other volunteer groups in the community. We are here for God's glory and we need to make Scripture the foundation of all of our gathering. So Christian Education is coming up with Scripture of the month that each group can begin, share and create a foundation of The Word. After sharing the Word with one another, each person can share concerns and joys, then pray together. When these 3 are done... then the purpose of the team can be addressed. We are here as a community focused on loving God and loving our neighbor. If we don't take time to listen to what brings each other joy and concerns, how can we bring glory to God?

**1 John 1: 7-9**  
**My beloved friends, let us continue to love each other since love comes from God. Everyone who loves is born of God and experiences a relationship with God. The person who refuses to love doesn't know the first thing about God, because God is love—so you can't know him if you don't love. This is how God showed his love for us: God sent his only Son into the world so we might live through him. Amen and Amen**

**Thank you for your love and service.**  
Blessings, Pastor D. Sandahl

**\*\*If you have hard boiled eggs on your fair food list, please buy them as soon as possible. Eggs are MUCH easier to peel if they aren't overly fresh. Betty Crocker recommends cooking them starting with cold water to cover by at least an inch. Heat rapidly to a boil: remove from heat. Cover and let stand for 18 min., then immediately cool in cold water to prevent overcooking.**

**HEADS UP---CHANGE IN THE NOISY OFFERING**

The Church Council has decided to not have Noisy Offering in July & August, but we will begin again on the 3<sup>rd</sup> Sunday in September. They are asking for ideas from church members for an out-reach ministry that you would like to support through the offering. Please let the office or a council member now if you have any ministries you want to give too. Let's make noise with coins!!

Worship Service at Bone Lake Park on August 18th. More details to follow.

**Brothers and Sisters in Christ,**

As we ended one process in the calling of a new Pastor, The Transition Teams report, we start another, the Call Committee starts their work to review & recommend a pastor for a vote to call to Bone Lake.

Even though the call process can be lengthy and requires hours of work, it also gives us time to reflect on how Bone Lake works & who we are as a church & what our wants & needs are in a new Pastor.

As the Call Committee begins their journey in the call process, please keep Pete Rupp. Jill Route, David Buck. Kristin Boland, Maggie Brown, Ben Buck & Martha Solfest, in your prayers for guidance as they move us closer to calling a new Pastor.

**Thank You** to the Transition Team: Brenda Buck, Jeff Pfaff, Shahla Brown, Jon Erickson, Nikki Grey, Ann Boland & Pastor D. for their thorough report.

**God's Work --Our Hands**

Martha Solfest,  
Council President

**W/ELCA MEETING, JUNE 17, 2019**

The meeting was called to order by President Joan Sorenson. After the prayer, the Purpose Statement was read by everyone in attendance. President Joan Sorenson had passed around the new Apple River Conference Newsletter for all to read. The newsletter will be sent out on a regular basis to keep everyone updated as to what and when events are being held in churches and other news items happening in our conference. Vice President Judy Randall read the devotion. **Treasurer's Report:** Treasurer Mary Brown reported on the expenditures and deposits of the W/ELCA accounts made since the last meeting held March 16, 2019. Treasurer Mary Brown had discussed the Zwieback Toast ingredients for the meatball dinner recipe and how to make a substitution. This will help save money and a trip to the Lindstrom, MN bakery to pick it up. Gloria Rolstad made a motion to accept the Treasurer's Report as given, Jessica Summerfield seconded the motion. Approved **Secretary's Report:** Gloria Rolstad read the Secretary's report in the absence of Secretary Lil Wilson. Mary Brown made a motion to accept the report as given, Judy Randall seconded the motion. Approved. **Old Business:** President Joan Sorenson had thanked everyone who had volunteered their time and talents for the Spring Day of Renewal held by the Apple River Conference, Spring Fling, Spaghetti Supper, and the Polk-Burnett Retired Educators Dinner. Thank you cards were received by Ramsey Livingston for the Senior Quilt he had received for graduation, the family of Bonnie Fjorden and the family of Mykala Eliason. The green and black bags, with the church logo on the front pocket, were ordered and received. The cost was \$1.20 per bag and 300 bags were ordered. The green and black bags will only be used to carry out food from the food booth during the Polk County Fair, Bone Lake Lutheran's Thanksgiving Day Dinner and possibly given to new members. Bone Lake Lutheran Church can reorder the same bags since the logo is on file at the company the bags were purchased. **New Business:** Church Council President Martha Solfest requested money for a new laptop computer to be used only by the church Secretary. Due to anyone in the congregation using the church Secretary's computer, problems have arisen with the computer and its programs, which make it difficult for the Secretary to do her job. A laptop computer was found on Amazon.com and the cost is \$643.98.

## (W/ELCA Meeting continued)

The computer now being used will be moved to the other desk in the office and is to be used by everyone in the church. A motion was made by Gloria Rolstad to purchase the laptop computer with money from W/ELCA. Gwynne Wisse seconded the motion. Approved. Church Council President Martha Solfest asked if the annual financial support the church receives from W/ELCA could be received earlier than August and November, as has been given in previous years. After some discussion it was decided to give the church half of the yearly donation only if W/ELCA has the funds to give before the fair. Money will be available after the fair. Gloria Rolstad made a motion to give \$2,500.00 to the church before the fair if it is available, Jessica Summerfield seconded the motion. Approved. **Polk County Sheriff’s Office:** The Sheriff’s Department had sent letters to the business leaders within the county requesting financial help to provide child safety and drug prevention education materials for children aged preschool and older. The cost is \$3.00 per child. A motion was made by Judy Randall to give \$150.00 to provide for 50 children, Donna Davidson seconded. Approved. **Food Processor:** A request was made by Gloria Rolstad to purchase a food processor to use in food preparation at Bone Lake Church. Before the meeting, Mary Brown had donated her Kitchenaid food processor to the church.

**Fair Committee Report:** Jessica Summerfield, Mary Brown, Lois Olson, and Gloria Rolstad reported on the progress being made in preparation for the Bone Lake Lutheran food booth at the Polk County Fair. The food donation cards were passed out to those in attendance at the meeting.

Jessica Summerfield reported the corn provided to the Luck Fire Department, by the supplier who donates the corn to them, is not growing corn this year. Since Bone Lake Lutheran Church receives corn from the Fire Department, we will not have corn given to us to process for the fair, roast beef dinner and VBS. Announcements will be made asking people if they know of someone who will donate a truck load of corn for the church to prepare for next year. If corn is not received, another option will have to be considered. **Ice Cream and Pie Social:** The United Pioneer Home will hold their ice cream and pie social on August 4, 2019. Rita Frandsen and Gwynne Wisse will each donate two pies for this event. **Luther Point Quilt Auction:** Bone Lake Lutheran Church has been donating quilts to Luther Point for their auction to help the camp raise money. There was a discussion about the small donations the camp receives from the quilts donated by Bone Lake Lutheran. The costs of the materials and the value of the work making the quilts is not worth what is received at the auctions. It was decided W/ELCA would give Luther Point a financial donation instead of donating a quilt. A motion was made by Martha Solfest to donate \$150.00, Gwynne Wisse seconded. Approved.

**Next Meeting:** Monday, September 16, 2019. The Naomi Circle will serve.

**Closing:** Jessica Summerfield made a motion too close the meeting, Mary Brown seconded. Approved
