## LOOKS LIKE A FUN CREW!

NOTE: If you are reading this and you are computer savy, why is this picture printing upside down. It does not show as upside down when I print in black and it does not show as upside down when I look at it on the screen.

The picture is great so I want to leave it.

## Notes from your Fair Committee

Hello BLLC! It's almost Fair time!

The fair committee would like to update everyone until fair time with items that will make 2025's food booth a big success! Let's review what is needed to be done this week:

**Review your food cards (mailed already):** Please bring items to the church by the date on your card! **If hard cooked eggs** are on your card, please **purchase the eggs early!** The eggs are easier for volunteers to peel. We appreciate this immensely!

**Volunteers are needed:** For food preparation on **Tuesday, July 22nd Potato and Egg Salad Gwynne Wisse lead.** Meet in the fellowship room.

**Volunteers are needed:** To work in the food booth. Sign-up soon for the times that fit with your schedule. You can sign-up to work at the fair through **Sign-Up Genius** at the following link: [www.signupgenius.com](http://www.signupgenius.com). You will need to search for us at: [FairFoodBooth@gmail.com](mailto:FairFoodBooth@gmail.com).

Any questions or concerns, contact a fair committee member Jessica Sund, Melanie Moore, Shahla Brown, Gloria Rolstad, or Tammy Brenizer.

The Fair Committee sincerely thanks everyone who has volunteered and helped with the food preparation! Whether you chopped onions, cut up bacon and/or ham, made meatballs, browned meat and onions, stirred sauce or mixed meat and bread crumbs for meat loaf, we are so very appreciative of all assistance you have provided!

Blessing on your week!

Melanie Moore

# BONE LAKE LUTHERAN COUNCIL

**Approve Agenda:** Denise made a motion to approve the agenda, Nikki seconded. Motion carried.

**Treasurer’s Report:** Lori went through the financials with the council and where we are at currently. Randy made a motion to have a review of the financials completed by Johnson, Agen, Kupferschmidt and Associates of the financials, Gloria seconded and the motion carried. Lori suggested that the council consider the Charity card instead of debit card. Randy makes a motion to have Shahla and Lori work on deciding if this is the right option for us, Gloria Seconded. Motion Carried.

**May Meeting Minutes:** Minutes were submitted online, Gloria made a motion to accept the minutes (5/10/25) and Shahla seconded the motion (5/11/25), Motion carried (5/16/25)

**Property Report:** Job board is up and people have been signing up to complete jobs, there are ants in the Sunday school rooms and Jon Erickson put ant sprinkles around the outside of the church. Raised bed in front of the church will be removed as it is overgrown. The parsonage needs a new drainfield, perk testing to be done and will cost about \$650. We will need to get bids for the drainfield once we know if it perks.

**Deacon’s Report:** May was busy with weeks of encountering the risen Christ. During this time, we also celebrated the First Communion with some of our children and their families. It was an honor to speak at the Luck Memorial Day celebration. My theme, if there was one, was centered on the truth – “You don’t know what you don’t know. But once you know you do better.” Our LEAD team is reading *Change Your Questions, Change Your Life* by Marilee Adams. Thank you, Karoline White, for purchasing books for the team. I have met with the LEAD Coach this month and Karoline will meet with the coach later.

I have two baptisms planned for the summer. We have a funeral for Wayne Peppenger on June 19th.

Fair Prep has begun. So far, I have been able to help with onions, baked beans, and meatballs. It is a lot of work, but I love how the kitchen flows. It seems that there has been plenty of helping

hands so far and I enjoy working with others. I also love how there is always time lunch and fellowship. Both stomach and souls are fed – what a blessing!

I think the workday board that was made was positively received and people are signing up for various jobs. I had the outside windows and screens washed at the parsonage. I have also purchased a tall toilet for the downstairs bathroom and a new kitchen faucet. The clothesline post was straightened and reset with concrete and a new line was installed. These are improvements that I felt were needed and I was happy to participate in the maintenance of the house.

Randy made a motion to accept the treasurers, deacons and property reports, Denise seconded. Motion carried.
